CERTIFIED SYSTEM ANALYST | BUSINESS PROCESS ANALYSIS | UML DIAGRAMMING | REQUIREMENT GATHERING

## PROFESSIONAL SUMMARY

Information Systems graduate and BNSP Certified System Analyst focused on system requirement analysis, business process modeling, and IT infrastructure alignment. Proven track record in designing system architecture blueprints, creating UML Diagrams, and formulating functional requirements for business application development. Adept at acting as an effective communication bridge between business stakeholders and development teams.

## TECHNICAL SKILLS

- System Analysis & Design: Business-IT Alignment, Requirement Gathering, UML Diagramming, Enterprise Architecture, Analytical Hierarchy Process (AHP)
- Tools: Visual Paradigm, Draw.io, Figma, Jira
- Methodology: SDLC, Agile (Scrum/Kanban)

## WORK & TEACHING EXPERIENCE

**PT Telkom Akses | Procurement & Partnership Mangement Intern** Jul 2025 – Sep 2025

- Conducted requirement gathering to digitalize manual work processes within the procurement division.
- Mapped the goods procurement workflow into digital approval matrices and designed the functional flow of the e-procurement prototype.

**Enterprise Architecture Teaching Assistant** Okt 2025 – Des 2025

- Mentored 40 students in understanding the alignment of business processes and IT infrastructure.
- Facilitated the design of enterprise architecture blueprints using Visual Paradigm.

**System Analysis and Design Teaching Assistant** Mar 2025 – Jun 2025

- Guided students in creating UML Diagrams (Activity, Use Case, Sequence, Class, Component Diagrams) to design software system specifications.

## PROJECT

**Web Based Decision Support System – Pilihanku (Final Year Project)**

- Formulated decision criteria and matrix calculations using the Analytical Hierarchy Process (AHP) method.
- Designed the decision support system flow to generate structured study program recommendations based on criteria weight calculations.

## ORGANIZATION EXPERIENCE

**Information System Student Association** Nov 2024 – Jan 2026

President

- Led 45 committee members in formulating organizational strategies and monitored the execution of work programs, achieving 100% completion according to the targeted timeline.

## EDUCATION

**Telkom University** Sep 2022 – Jan 2026
Bachelor of Information System Jakarta Campus – GPA 3.64 / 4.00
**Vocational School Telkom Makassar** Jul 2019 – Jun 2022
Computer and Network Engineering

## CERTIFICATION

Certified System Analyst — Badan Nasional Sertifikasi Profesi (BNSP)
